A photograph of a man in a dark polo shirt and light-colored pants standing in the center of a room, smiling and gesturing with his hands. He is surrounded by an audience of adults, some of whom are clapping. The background features a large blue wall with a white stylized logo consisting of a circle above several radiating lines, and the letters 'BO' and 'S' are partially visible on the right. The text 'School and Network Leadership' is overlaid in large white font across the middle of the image.

A photograph of a computer lab with students working at desks. The image is dimmed and serves as a background for the title. In the foreground, a male student with glasses is typing on a laptop. Behind him, another student is looking at a monitor. In the background, two more students are visible at their desks. The text 'Information Technology' is overlaid in the center in a large, white, sans-serif font.

Information Technology

Information Technology

IT Core Summer Work

Summer Sweeps: All schools tech-ready.

Device Distribution: 4,600+ devices deployed.

Classroom Tech Refresh: Launched new school technology purchasing program.

Repairs & EOL: Thousands of devices refurbished, redistributed, or recycled.

Data Warehouse: Assessment data loaded for timely analysis.

Firewall Update: District firewalls were upgraded with capacity and features to keep district networks safe for 7 years.

IT Special Project: Network Implementation

Network Refresh Installation: We are modernizing the district's digital backbone! We are partnering with HPE Aruba to replace our aging hardware with top-of-the-line tech.

What happens next:

- July 2026 - Equipment starts to arrive
- July/August 2026 - Installation begins
- August 2026 - May 2027 - Systematic rollout installation across the district. Installation work will take place nights and weekends.
- June 30, 2027 - Installation and onboarding to Aruba will be complete

Information Technology - Grad+ Interns

Cultivating Tomorrow's Technology Leaders:

The IT department successfully hosted five interns through the Grad+ Summer Leadership Academy. These students engaged in meaningful work across various functional departments, where they gained practical experience and delivered presentations on the potential applications of Agentic AI. Additionally, the IT department continues to support broader internship opportunities beyond the Grad+ program.

A photograph of two young girls on bicycles, wearing helmets and carrying backpacks, overlaid with a dark blue semi-transparent filter. The girl in the foreground is wearing a yellow backpack and a grey helmet, looking back over her shoulder. The girl behind her is wearing a red backpack and a grey helmet. They are on a paved path with trees and a fence in the background.

Communications

Introducing the BVSD App

BVSD is now using Apptegy, an app-based messaging tool that all families can download to communicate with schools, their teachers, and the district.

All schools, all in one place for BVSD families. The app features a live feed of news and updates, the ability to receive push notifications, and two-way communication between teachers, coaches and parents.

Say “hello” to even more in
the BVSD app.

Download the **Boulder Valley School District** app from the iOS App Store or Android Play Store and enable Notifications.

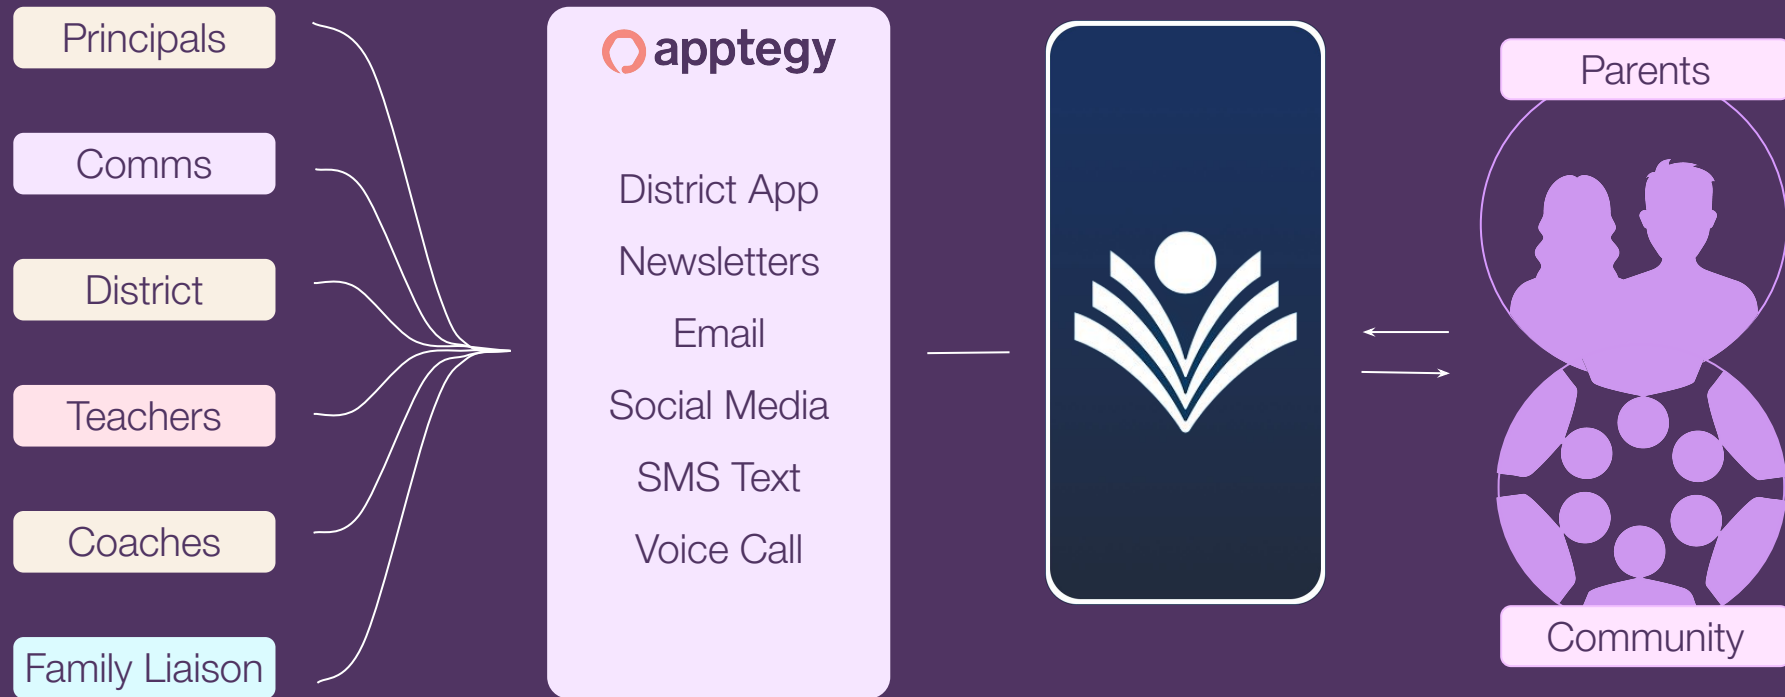

Introducing the BVSD App

Parent-first Philosophy

- All schools/district updates in one place
- SMS, Email and Phone
- Allows for app notifications
- Multiple staff can post
- Meets state accessibility requirements
- Spanish translation embedded

Streamlining Communication

A photograph of three young boys standing in front of a school building. The boy on the left is wearing a grey and white patterned shirt and dark shorts, holding a green bag. The boy in the middle is wearing a blue t-shirt with a yellow and green graphic, dark shorts, and a blue baseball cap. The boy on the right is wearing a red t-shirt with 'XGEL by Taica' and 'mob' logos, and blue and white checkered shorts. All three are wearing backpacks. In the background, there are other students and a man in a blue polo shirt. A girl in a yellow cap and white shirt is walking away on the right. The word 'Questions?' is overlaid in large white text in the center.

Questions?
