Adjusted Births and Resident Kindergarten Class Size Trends

SUMMARY of Growth Components

- Overall enrollment change is negative (-81/-0.3%); even more so at Elementary (-161/-1.3%).
- Resident student change also negative (-48/-0.2%)
- Resident losses at Elementary concentrated in Boulder, Broomfield, and Superior with Lafayette/Erie experiencing the strongest Elementary growth (+72/3.1%).
- The influence of cohort (grade-levels) size was strong in 2018 with a small incoming Kindergarten (-63/-0.3%) contributing to enrollment decline, especially at the Elementary level.
- The number of overall Out-of-District students was down in 2018 (-41), although new O.O.D. was above average.
- + “Net Migration” positive and on par with 2017, but below other recent years
