A woman with dark hair and a plaid shirt is seated on a blue chair, playing an acoustic guitar. She is smiling and looking towards the camera. In front of her is a black music stand. To her right, three children are standing. A young girl in a black shirt is singing into a microphone on a stand. Next to her is a girl in a blue patterned shirt and pink pants, smiling. On the far right is a boy in a blue t-shirt with the number 37, looking towards the girl in the patterned shirt. The background is a simple stage setting with a dark curtain. The entire image has a blue tint.

Heatherwood Educational Advisory Team

Purpose

The Heatherwood Educational Advisory Team **will develop recommendations regarding future programming and educational experiences** for the school in response to declining enrollment. The Team is intended to provide a high level of accountability, involvement, and communication with the Heatherwood and Boulder Valley School District communities to ensure stakeholders are engaged and their values and priorities are reflected in decision-making. The Team is advisory in nature and approval for programmatic changes remains with District staff and the Board of Education.

Overall Goal

- Increase and stabilize Heatherwood's enrollment to at least 2 rounds (300 students) in order to provide a thriving, well-resourced educational environment for students and staff
 - Capture a larger percentage of neighborhood students (currently 66%)
 - Attract out of district students
